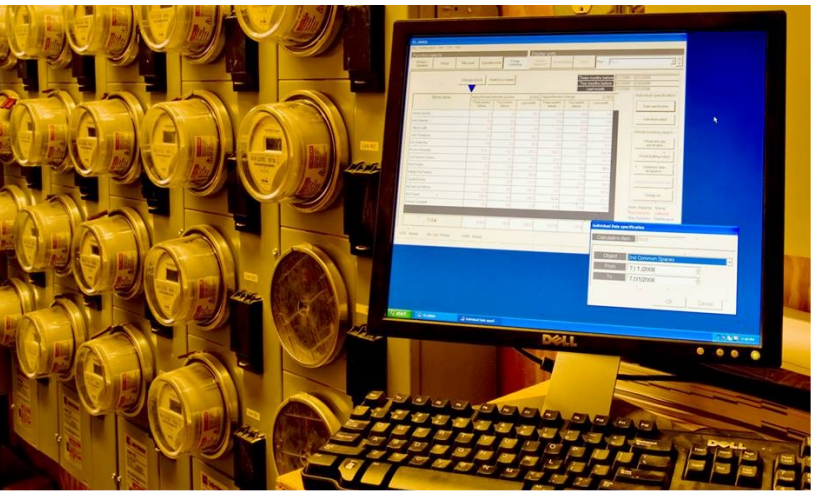
LEADERS IN ENERGY MANAGEMENT,
SECURITY AND SAFETY



OUR COMPANY

We have been serving clients in the Greater Boston and surrounding areas for over 60 years. As a preferred electro-mechanical contractor we provide engineering, service, sales, installation and maintenance of high-efficiency Heating, Cooling, Electrical, Data and Alarm Systems. We have a full sheet metal shop and training center for continued education in all areas of the trades we provide.

We are capable of taking a project from concept to completion by utilizing clear communication, practical designs and innovative technology.

For more information on our company or product offerings please visit us on the web at: www.keyesweb.com.

We are always educating our team so that we can be the best in the industry and continue to offer our clients superior service.

The growth of our employees is important to the success of our company.
